Partner Reading Timeline

**Pre-Test**
- Collect data using screening assessments to determine the need for a classwide intervention and make partnerships.

**Day 1**
- Teach students procedures and how to partner read.
- Practice partner reading with error correction.

**Day 2**
- Teach students how to paragraph shrink.
- Practice paragraph shrinking.

**Days 3-12**
- Partner reading and paragraph shrinking every day.
- Conduct a fidelity check.

**Post-Test**
- Reassess all students using the same type of pre-test assessment (ORF) to measure growth.
