GUIDELINES for FINAL LARGE GROUP DISCUSSION

NOTE: This is not a reporting back session in which each group reports their conclusions as a group. Instead we are asking for responses to the questions below. We expect that your responses will have grown out of the discussions and small groups throughout the day.

CLOSING DISCUSSION:

If we were going to summarize for someone else what we said and learned today about supporting the study and implementation of evidence based practice in the context of cultural competence in child welfare services, what would we tell them about the common threads? What were the: …. 

a. Current successes and challenges in study and/or implementation?

b. Next goals and steps in study and/or implementation?
