From North via I-35W
(for the northern suburbs, e.g., parts of Roseville)
Drive south on I-35W to the “University Avenue/4th Street” exit. Turn left onto University Avenue and drive about five blocks. Turn right at the stoplight at 14th Avenue SE. Go one block to the stop sign (Pillsbury Dr.) and turn left. The first driveway to your right will be for the Institute of Child Development. Turn into this driveway, go past the first two sets of parking spaces, and pull into the angled parking spaces which face the wooden swing and the Institute of Child Development (the name is on the building above the door). A researcher from our lab will meet you with a parking permit, so please stay with your car to avoid being ticketed.

From the South via I-35W
(for participants in South Minneapolis, Bloomington, Edina, or Richfield)
Drive north on I-35W to the “University Avenue/4th Street” exit (not the “U of M” exit). Turn right onto University Avenue and drive five blocks. Turn right at the stoplight at 14th Avenue SE. Go one block to the stop sign (Pillsbury Dr.) and turn left. The first driveway to your right will be for the Institute of Child Development. Turn into this driveway, go past the first two sets of parking spaces, and pull into the angled parking spaces which face the wooden swing and the Institute of Child Development (the name is on the building above the door). A researcher from our lab will meet you with a parking permit, so please stay with your car to avoid being ticketed.

From the East via I-94
(from St. Paul)
Take I-94 west to Huron Blvd exit. Take 1st left onto Fulton Street. Follow Fulton St (past Fairview Medical Hospital) which will turn into East River Pkwy. Follow East River Pkwy (winding road) for 1 mile until you reach Pillsbury Dr (you will pass Arlington St and 1 intersection with a stop sign before you reach Pillsbury). Turn right onto Pillsbury Dr; the first driveway to your right will be for the Institute of Child Development. Turn into this driveway, go past the first two sets of parking spaces, and pull into the angled parking spaces which face the wooden swing and the Institute of Child Development (the name is on the building above the door). A researcher from our lab will meet you with a parking permit, so please stay with your car to avoid being ticketed.

From the West
(for participants in the western suburbs such as St. Louis Park, Golden Valley)
Drive east on I-394 (toward Minneapolis) to east I-94; then go north on I-35W. Take I-35W north to the “University Avenue/4th Street” exit. Turn right onto University Avenue and drive five blocks. Turn right at the stoplight at 14th Avenue SE. Go one block to the stop sign (Pillsbury Dr.) and turn left. The first driveway to your right will be for the Institute of Child Development. Turn into this driveway, go past the first two sets of parking spaces, and pull into the angled parking spaces which face the wooden swing and the Institute of Child Development (the name is on the building above the door). A researcher from our lab will meet you with a parking permit, so please stay with your car to avoid being ticketed.
