

## B.S. in HUMAN RESOURCE DEVELOPMENT

The circles on this page represent the five categories of courses that make up your B.S. degree program.

The numbers of credits represented by these five categories must add up to at least 120 credits.

To the right of each of the top 3 circles, please list all courses that you have **not yet completed**. If you need assistance in determining what these courses may be, please look at your APAS report and consult with your advisor.
