HOST REPORT CARD

The Host Report Cards are used to compute the number of participants each year. To be an official participant, you must submit a Host Report Card. Individual report cards are then converted into an annual report card for the State of Minnesota and included in the national reporting. Remember that we are creating a tradition and submitting your Host Report Card is as important as your participation. Return the Host Report Card as soon as possible, but no later than **March 20, 2009**. Make sure your participation counts!
