

Helena Family Support(HFS) is looking to hire a Mental Health Professional to provide supervision to Mental Health Practitioners providing Children's Therapeutic Supports and Services (CTSS). HFS became incorporated in 2000 and has been providing in-clinic and in-home psychotherapy and skills training to children and adolescents and their families. Referrals are obtained from child protection, probations, PPL, and other social service providers. The director, Jane Sharkey, is a LMFT and is an AAMFT and LPCC supervisor.

The position would require conducting Diagnostic Assessments to children and adolescents and their parents and providing psychotherapy to families receiving CTSS.

Qualifications required:

1. Licensed with the Board of Marriage and Family, Social Work Board or Psychology Board.
2. Experience with providing CTSS.
3. Must be pre-approved with Medica, BCBS, MHP, UCare, Health Partners and Preferred One.
4. Available for full time employment.
5. Be able to provide a current BCA background check.

Benefits include:

1. Annual salary range between \$40,000.00 to \$50,000.00 - depending upon experience.
2. Medical and Dental coverage.
3. Two weeks paid vacation.

Please forward resumes to janesharkey@yahoo.com. Include in the subject line "applying for MHP position".
