3:00-5:00 Field Fair
Registration Information

9:00-9:30  Curriculum Overview
9:30-10:00 General nuts and bolts at the U of MN
10:00-10:15 Break
10:15-11:15 Small Group Advising sessions
  • Full program students
  • Clinical Mental Health – Coffman 301
  • Community Practice – Coffman 307
  • Families and Children – Coffman 304
  • Health, Disability and Aging – Coffman 305
  • IV-E Child Welfare – Coffman 326
  • Integrated Behavioral Health – Dr. Merighi

11:15-11:45 Break – return with lunch at 11:45 for field orientation
Clinical Mental Health Concentration

The Clinical Mental Health concentration prepares students for advanced clinical social work practice with children, adults, and families across diverse settings and populations. Students learn contextually based approaches to mental health diagnostic assessment, treatment and practice evaluation, with a strong focus on client systems experiencing significant mental health risk.

Curriculum outline

Class schedule
Clinical Mental Health

This concentration prepares students for advanced clinical social work practice with children, adults and families across diverse settings and populations. Students learn contextually based approaches to mental health diagnostic assessment, treatment and practice evaluation, with a strong focus on client systems experiencing significant mental health risk.
Clinical social workers work in:

- Outpatient child, family and adult clinics
- Inpatient child and adult settings
- Schools
- Specialty populations: bilingual settings, abuse populations, infant and senior services, veterans, immigrants, homeless, etc.
Clinical Mental Health: Concentration Core

- **Clinical Mental Health**
- **Families and Children**
- **Community Practice: Organizing, Leadership and Advocacy**
- **Health, Disability & Aging**

**Concentration Skills Electives** (2 courses, 3 cr each)

- **Anchor** (3 cr)
- **Boost** (3 cr)

**SW 8030 (6 cr)**
Concentration Core

**Clinical Mental Health Concentration**

The Clinical Mental Health concentration prepares students for advanced clinical social work practice with children, adults and families across diverse settings and populations. Students learn contextually based approaches to mental health diagnostic assessment, treatment and practice evaluation, with a strong focus on client systems experiencing significant mental health risk.

CMH Core: Anchor & Boost

- **Concentration core**: Anchor, boost, concentration electives – look for **BLUE**
  - **Anchor**: SW 8451: Assessment and Engagement in Clinical Social Work Practice (3 credits)
    - The concentration anchor is offered in every matriculation period
    - **Recommend**: take this course in the summer of 2016 or in the fall of 2016
  - **Boost**: SW 8452: Core Concepts of Clinical Process (3 credits)
    - This course is offered in the fall and spring semesters
    - For advanced standing CMH concentration students we recommend taking this course in the fall semester
CMH Core: Concentration Electives

• Students must take at least two of the following concentration electives – look for **BLUE** except where noted
  – **SW 8352**: Advanced Practice with Families
    • This one will be **YELLOW** on the class schedule
    • This is the boost class for the FC concentration, but can also be an elective for CMH
  – **SW 8461**: Advanced Clinical Social Work Practice With Adults
  – **SW 8462**: Advanced Clinical Social Work Practice With Children and Adolescents
  – **SW 8463**: Social Work Practice with Severe and Persistent Mental Illness and Severe Emotional Disturbance

• **Best idea**: *take your electives AFTER taking the anchor and boost*
Clinical Mental Health: Concentration Core

- Clinical Mental Health
- Families and Children
  - Anchor (3 cr)
  - Boost (3 cr)
- Concentration Skills
  - (2 courses, 3 cr each)
- Community Practice: Organizing, Leadership and Advocacy
- Health, Disability & Aging
- SW 8030 (6 cr)
Additional Requirements in the Concentration

**Clinical Mental Health**

**Families and Children**

**Anchor (3 cr)**

**Boost (3 cr)**

**Concentration Skills**
(2 courses, 3 cr each)

**Community Practice: Organizing, Advocacy, Leadership**

**Health, Disability & Aging**

**Social Work & Difference, Diversity & Privilege (2 cr)**

**Advanced Evaluation (3 cr)**

**Policy (3 cr)**

**Second Anchor (3 cr)**

**SW 8020/ SW 8030 (6 cr)**

**Electives (5 cr)**
Practice with Diverse Populations

- **SW 8821** – *Social Work and Difference, Diversity and Privilege* is a required class for all students in the concentration

- **PLEASE NOTE:**
  - Students doing a concurrent placement (fall-spring) who wish to complete all degree requirements in a calendar year should take this class in the summer
    - Students can register for this class in the summer of 2016 if they have completed pre-requisites and their undergraduate degree, *OR*
    - They can wait and take the course in 2017.
  - A student doing a block placement in the summer of 2017, should take this class in the spring of 2017
Advanced Evaluation

- **SW 8842**: Advanced Social Work Evaluation (3 credits)
  - Take this class while enrolled in field (SW 8030)
  - **Concurrent option – fall and spring field**
    - Students doing a concurrent field placement (fall and spring) must enroll in this course in both semesters.
    - Students can split the credits as best suits their needs, for a total of 3 credits by the end of the year.
    - Enroll in any section *except* section 001
  - **Summer block option**
    - Register for 3 cr of 8842 in the summer term
    - Total hours of class/field time: 672 over 13 weeks
      - 600 hours of field
      - 45 hours of 8842 Advanced Evaluation
      - 27 hours of 8030 Field Seminar
Advanced Policy

• All students take one advanced policy course (3 credits), and can choose from the following:
  – SW 8806-Health and Mental Health Policy
  – SW 8807-International and Comparative Social Welfare Policy
    (available only to those CMH students who are completing the International Specialization)

• Policy classes are on Wednesday evenings in the spring semester
Second focus: Anchor from Another Concentration

- Take one course from the following (3 credits each):
  - **SW 8251**—Advanced Social Work Practice in Health, Disabilities, and Aging
    - Students who want HDA as their second anchor **MUST** take this anchor in the fall semester. It is offered ONLY in fall
    - Students who take this course attend SW 8251 on Wednesday evenings, but also attend the FIPCC seminar on some Friday afternoons – check the class schedule
  - **SW 8351**—Advanced Practice I: Families and Children
  - **SW 8551**—Community Assessment and Intervention
    - If you wish to take this class as your second anchor, you **must** take this anchor in the spring semester
Electives

- 5 credits total
- Can take any course in the MSW program that you have not already counted for another requirement -- See curriculum document for full list
- Free electives appear as **GREEN** on the course grid
- Can take up to 6 credits outside of the School of Social Work
Field

- 8030—Advanced Standing Field Practicum (6 cr)
  - A seminar accompanies this field placement
- Students must take SW 8842—Advanced Social Work Evaluation concurrent with the concentration field placement
- Concurrent placement: register for 3 credits of SW 8030 in fall and spring semesters.
- Summer block: register for 6 credits of SW 8030 in the summer session
Example Clinical Field Placements

- Bloomington Public Schools
- Domestic Abuse Project
- Greater Minneapolis Crisis Nursery
- Northwood Children's Services
- Relate Counseling Center, Inc.
Some details . . . registration process

- Tutorials on using the registration system can be found at Onestop.umn.edu
Help with Registration

University of Minnesota
School of Social Work
Planning for 2016-17

• Plan for the entire year
• CMH courses appear in BLUE, or in 2 colors if the course is shared by another concentration
• Free electives appear in GREEN
• Courses that go across concentrations (policy, evaluation, etc.) appear in

SOMETHING LIKE THIS COLOR
Some details . . .

- Registration for summer, 2016, begins on Tuesday, April 12.
- Registration for fall, 2016, begins on Thursday, April 14.
- You will receive notice from the registrar’s office about your date and time for registration.
- Almost all courses are open and you are free to proceed with registration.
  - If a course section that you want appears as “closed” when you go to register, it is because that section is full.
  - In that case you should register for a different section.
  - You can, however, contact Jan Goodno and ask to be placed on a waiting list for the desired section. If a space opens up, Jan will let you know so that you can proceed with registering. Jan is best reached by email at jgoodno@umn.edu. She responds to emails in the order she receives them.
- An exception to open courses: If you are registering for SW 8462 – Advanced Clinical Work with Children and Adolescents, you much contact Jan and get a permission number.
Questions/Discussion
Before you leave . . .

- **Turn in:**
  - Any transcripts showing completed pre-requisites – turn in the in the boxes provided
  - Questions? Use your note card and turn in your question to Jill Stiber in your advising session or place in the box in the atrium! Be sure you include your contact information.
