Help with Registration
Planning for 2016-17

- Plan for the entire year
- FC courses appear in **YELLOW**, or in 2 colors if the course is shared by another concentration
- Free electives appear in **GREEN**
- Courses that go across concentrations (policy, evaluation, etc.) appear in **SOMETHING LIKE THIS COLOR**
Registration for summer, 2016, begins on Tuesday, April 12.
Registration for fall, 2016, begins on Thursday, April 14.
You will receive notice from the registrar’s office about your date and time for registration.
Almost all courses are open and you are free to proceed with registration.
  – If a course section that you want appears as “closed” when you go to register, it is because that section is full.
  – In that case you should register for a different section.
  – You can, however, contact Jan Goodno and ask to be placed on a waiting list for the desired section. If a space opens up, Jan will let you know so that you can proceed with registering. Jan is best reached by email at jgoodno@umn.edu. She responds to emails in the order she receives them.
An exception to open courses: If you are registering for SW 8462 – Advanced Clinical Work with Children and Adolescents, you much contact Jan and get a permission number.
