ORGANIZATION SUMMARY

BeechWood Inc. is a grassroots nonprofit organization located in South Minneapolis, providing ARMHS services to clients located in Hennepin County. As a person-centered practice, it is our mission to do everything possible to help people live independently. We believe that everyone, no matter their circumstances, has the right to love, connectedness, and dignity.

BeechWood’s mission is founded on the following set of values:

- **Service**: to provide compassionate services through advocacy, mentoring and collaboration
- **Innovation**: to develop staff and clients through a holistic, inclusive approach
- **Stewardship**: to make use of human and material resources wisely and efficiently.
- **Integrity**: to maintain a reputation of quality, reliability and consistency

JOB DESCRIPTION

ARMHS Practitioners provide home and community-based mental health rehabilitative services to clients in the form of instruction, support, and coaching for the purpose of promoting psychiatric stability, increased social functioning and competencies, personal and emotional adjustment, and independent living skills.

**Primary Functions and Duties**

- Provide individual mental health rehabilitative services as described above
- Engage with clients from an empowerment, strength-based perspective
- Develop trusting, therapeutic relationships with clients
- Master degree level practitioners will complete Diagnostic Assessments, under supervision of a Mental Health Professional
- Complete Functional Assessments, Individual Treatment Plans, progress notes, and other required documentation
- Participate in weekly individual and group clinical supervision
- Learn and utilize skills drawn from Acceptance and Commitment Therapy, Dialectical Behavior Therapy, Illness Management & Recovery, and other evidence-based practices
- Facilitate and develop groups for clients
- Coordinate services with case managers, other mental health providers, medical providers, etc.

Persons of Color strongly encouraged to apply.

Required Experience:
- Bachelor's Degree in one of the behavioral sciences or related fields from an accredited college or university, and at least 2,000 hours of supervised experience in the delivery of clinical services in the treatment of adults with mental illness or children with emotional disturbances.
- Strong advocacy skills and social justice orientation.
- Cultural competence and commitment toward reflective practice.
- Ability to work independently and as part of a team.
- Strong and effective written and verbal communication skills.
- Comfortable utilizing concurrent electronic health record documentation
- Strong clinical knowledge and skills.
- Reliable transportation, valid Driver’s License with a clear driving record and proof of insurance.

Preferred Experience:
- Master's Degree in one of the behavioral sciences or related field OR current Master's Degree Student.
- Experience in ARMHS service delivery.

Benefits

Generous health insurance coverage
IRA retirement plan with employer contribution match
