

TRANSFER GUIDE FROM ANOKA RAMSEY COMMUNITY COLLEGE TO
COLLEGE OF EDUCATION
+ HUMAN DEVELOPMENT

UNIVERSITY OF MINNESOTA

This guide identifies Anoka Ramsey Community College courses that can prepare students to transfer into undergraduate programs at the College of Education & Human Development (CEHD) at the University of Minnesota-Twin Cities campus.

Application process

The application process has 2 steps. First, you need to apply to the University of Minnesota. You can do this online at http://admissions.tc.umn.edu/admissioninfo/trans_checklist.html. Along with this application, you need to submit CEHD Transfer Admission Application Supplement to the Office of Admissions. You can find this form and directions by scrolling down to the bottom of the webpage listed above and clicking on College of Education and Human Development.

In order to have your application considered for admission, both the U of M application AND supplemental materials must be completed

The priority deadlines to apply:

Spring semester: October 1st

Fall semester: March 1st

The final deadlines to apply:

Spring semester: December 15th

Fall semester: July 1st

Many majors fill with applications submitted on or before the priority deadlines. We strongly encourage submission of applications by this deadline!

For information on how community-college courses will apply toward CEHD major requirements, check with your community-college adviser or the Transfer Admissions Coordinator in the College of Education and Human Development.

For more information on CEHD admission and degree/major requirements:

- ❖ visit us online at www.cehd.umn.edu
- ❖ sign up for an info session

- ❖ Contact Student Services at 612-625-3339 or cehdinfo@umn.edu.

Updated spring 2009

Business Majors

Business and Marketing Education (BME)

Admission requires a minimum 2.00 GPA and 30 semester credits completed at the time of application. The following courses are recommended but not required prior to admission:

Mathematics (*choose one*)

- MATH 1110 – Introductory Statistics I **or**
- MATH 1200 – College Algebra I **or**
- Other college level math course

Public Speaking

- SPCH 2215 – Public Speaking

Social Science

- PSYC 1110 – General Psychology
- Economics (*choose one*)
 - ECON 2205 – Principles of Macroeconomics **or**
 - ECON 2206 – Principles of Microeconomics

Human Resource Development (HRD)

Admission requires a minimum 2.50 GPA and 60 semester credits completed or in progress at the time of application. The following courses are recommended, not required, prior to admission

Mathematics (*choose one*)

- MATH 1110 – Introductory Statistics I **or**
- MATH 1200 – College Algebra I **or**
- Other college level math course

Public Speaking

- SPCH 2215 – Public Speaking

Social Science

- PSYC 1110 – General Psychology
- Economics (*choose one*)
 - ECON 2205 – Principles of Macroeconomics **or**
 - ECON 2206 – Principles of Microeconomics

Sport Management (SMGT)

Admission requires a minimum 2.0 GPA (*2.75 strongly preferred*) and 60 semester credits completed or in progress at the time of application. The following courses are strongly recommended but not required prior to admission:

- PSYC 1110 – General Psychology
- SOC 1111 – General Sociology
- SPCH 2215 – Public Speaking
- 3 HPER 1 credit courses (physical education)
- Most generals completed or in progress

Education Majors

Our licensure programs are unique in that we do not license at the bachelor's level, we license at the master's level. An undergraduate degree teaches students what to teach, and a master's degree teaches students how to teach. This design better prepares students to enter the school system as well as allows them to attain a master's degree in a short amount of time.

To move into a licensure program, students need to graduate with a bachelor's in the area they want to teach before applying to enter a licensure program. Licensure programs are between 12-18 months long, after which you are licensed in the state and only a few courses away from a master's degree.

For information on teaching middle or high school, please visit <http://cehd.umn.edu/Direct/>

Elementary Education Foundations (EIEd)

Admission requires a minimum 2.50 GPA, although a 2.8 is *strongly* preferred, and the courses listed below completed or in progress at the time of application. Students must also have 35 hours of classroom experience in a K-6 public classroom setting during regular school days/hours; this experience may be paid or unpaid and must be *completed* prior to application.

Basic Requirements (3 courses)

- PSYC 1110 – General Psychology
- Literature course – must satisfy Literature core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- Students must also complete Introduction to Elementary Schools at the U of M.

Mathematics (1 course)

- MATH 1200 – College Algebra I

Science (2 courses)

- Biology w/lab
 - BIOL 1106 – Principles of Biology I
- Earth science w/lab
 - NATS 1003 – Geology

Social Studies (2 courses)

- History course – must satisfy Historical perspective core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- PSTL 1204: Ways of Knowing in the Social Science (*must* be taken at the U of M)

Although not required, students may also take the following course prior to admission

- Students must complete one course in children's literature at the U of M.

Health and Wellness Majors

** Also see Sport Management in the “business major” section **

Kinesiology (KIN)

Admission requires a minimum 2.50 GPA and 60 semester credits. Students are required to have all 3 of the following science courses completed or in progress prior to admission:

Biology with a lab (*choose one*)

- BIOL 1106 – Principles of Biology I **or**
- BIOL 2201 – Microbiology

Chemistry with a lab

- CHEM 1061 – Principles of Chemistry I

Physics with a lab (*choose one*)

- PHYS 1317 – General Physics I **or**
- PHYS 1327 – College Physics I

In addition to the science courses listed above, students are required to have 2 of the 3 following courses completed or in progress at the time of application:

Speech

- SPCH 2215 – Public Speaking

Psychology

- PSYC 1110 – General Psychology

Mathematics (*choose one*)

- MATH 1110 – Introduction to Statistics I (preferred) **or**
- MATH 1200 – College Algebra I **or**
- Higher level math

Recreation, Park and Leisure Studies (REC)

Admission requires a minimum 2.00 GPA and 30 semester credits completed as well as completion or current enrollment in General Psychology – PSYC 1110 prior to application.

The following courses are strongly recommended but not required prior to admission:

- SOC 1111 – General Sociology
- SPCH 2215 – Public Speaking
- 3 HPER 1 credit courses (physical education)

Human Services Majors

Family Social Science (FSoS)

Admission requires a minimum 2.00 GPA, completion of high school intermediate algebra **or** Math 0210 – Mathematics II, and completion of at least 1 social science course. The following courses are recommended but not required prior to admission:

Mathematics

- MATH 1110 – Introductory Statistics I

Public Speaking

- SPCH 2215 – Public Speaking

Social Studies

- Students choose a social science course (ex: sociology, psychology, political science)
- Economics (*choose one*)
 - ECON 2205 – Principles of Macroeconomics **or**
 - ECON 2206 – Principles of Microeconomics

Youth Studies (YOST)

Admission requires a minimum 2.0 GPA and experience with youth at the time of application. The following courses are strongly recommended but not required prior to admission:

Social Science

- SOC 1111 – General Sociology
- Additional social science course: (*choose one*)
 - POLS 1111 – American Politics and Government **or**
 - GEOG 1106 – World Regional Geography **or**
 - PSYC 1110 – General Psychology **or**
 - ANTH 2201 – Introduction to Cultural Anthropology

Mathematics

- MATH 1110 – Introductory Statistics I

Public Speaking

- SPCH 2215 – Public Speaking
