

TRANSFER GUIDE FROM NORMANDALE COMMUNITY COLLEGE TO

COLLEGE OF EDUCATION + HUMAN DEVELOPMENT

UNIVERSITY OF MINNESOTA

This guide identifies Normandale Community College courses that can prepare students to transfer into undergraduate programs in the College of Education & Human Development (CEHD) at the University of Minnesota-Twin Cities campus.

Application process

The application process has 2 steps. First, you need to apply to the University of Minnesota. You can do this online at http://admissions.tc.umn.edu/admissioninfo/trans_checklist.html. Along with this application, you need to submit CEHD Transfer Admission Application Supplement to the Office of Admissions. You can find this form and directions by scrolling down to the bottom of the webpage listed above and clicking on College of Education and Human Development.

In order to have your application considered for admission, both the U of M application AND supplemental materials must be completed

The priority deadlines to apply:

Spring semester: October 1st

Fall semester: March 1st

The final deadlines to apply:

Spring semester: December 15th

Fall semester: July 1st

Many majors fill with applications submitted on or before the priority deadlines. We strongly encourage submission of applications by this deadline!

For information on how community-college courses will apply toward CEHD major requirements, check with your community-college adviser or the Transfer Admissions Coordinator in the College of Education and Human Development.

For more information on CEHD admission and degree/major requirements:

- ❖ visit us online at www.cehd.umn.edu
- ❖ sign up for an info session
<http://www2.cehd.umn.edu/SPS/Events/InfoSession/Undergraduate.asp>
- ❖ Contact Student Services at 612-625-3339 or cehdinfo@umn.edu.

Updated spring 2009

Business Majors

Business and Marketing Education (BME)

Admission requires a minimum 2.00 GPA and 30 semester credits completed at the time of application. The following courses are recommended but not required prior to admission:

Mathematics (*choose one*)

- MATH 1080 – Introduction to Statistics **or**
- MATH 1100 – College Algebra and Probability **or**
- Other college-level math

Public Speaking

- COMM 1101 – Fundamentals of Public Speaking

Social Science

- PSYC 1110 – General Psychology
- Economics (*choose one*)
 - ECON 2201 – Microeconomics **or**
 - ECON 2202 – Macroeconomics

Human Resource Development (HRD)

Admission requires a minimum 2.50 GPA and 60 semester credits completed or in progress at the time of application. The following courses are recommended, not required, prior to admission

Mathematics (*choose one*)

- MATH 1080 – Introduction to Statistics **or**
- MATH 1100 – College Algebra and Probability **or**
- Other college-level math

Public Speaking

- COMM 1101 – Fundamentals of Public Speaking

Social Science

- PSYC 1110 – General Psychology
- Economics (*choose one*)
 - ECON 2201 – Microeconomics **or**
 - ECON 2202 – Macroeconomics

Sport Management (SMGT)

Admission requires a minimum 2.0 GPA (*2.75 strongly preferred*) and 60 semester credits completed or in progress at the time of application. The following courses are strongly recommended but not required prior to admission:

- EXSC 2300 – Introduction to Kinesiology
- PSYC 1110 – General Psychology
- SOC 1104 – Introduction to Sociology
- COMM 1101 – Fundamentals of Public Speaking
- 3 physical education courses
- Most generals completed or in progress

Education Majors

Our licensure programs are unique in that we do not license at the bachelor's level, we license at the master's level. An undergraduate degree teaches students what to teach, and a master's degree teaches students how to teach. This design better prepares students to enter the school system as well as allows them to attain a master's degree in a short amount of time.

To move into a licensure program, students need to graduate with a bachelor's in the area they want to teach before applying to enter a licensure program. Licensure programs are between 12-18 months long, after which you are licensed in the state and only a few courses away from a master's degree.

For information on teaching middle or high school, please visit <http://cehd.umn.edu/Direct/>

Elementary Education Foundations (EIEd)

Admission requires a minimum 2.50 GPA, although a 2.8 is *strongly* preferred, and the courses listed below completed or in progress at the time of application. Students must also have 35 hours of classroom experience in a K-6 public classroom setting during regular school days/hours; this experience may be paid or unpaid and must be *completed* prior to application.

Basic Requirements (3 courses)

- PSYC 1110 – General Psychology
- EDUC 1101 – Introduction to Education
- Literature course – must satisfy Literature core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>

Mathematics (1 course)

- MATH 1100 – College Algebra and Probability

Science (2 courses)

- Biology w/lab (*choose one*)
 - BIOL 1105 – General Biology: Cells to Organisms **or**
 - BIOL 1106 – General Biology: Ecology and Evolution
- Earth science w/lab (*choose one*)
 - GEOL 1101 – Physical Geology **or**
 - PHYS 1114 – Introductory Astronomy

Social Studies (2 courses)

- History course – must satisfy Historical perspective core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- PSTL 1204: Ways of Knowing in the Social Science (*must* be taken at the U of M)

Although not required prior to admission, students may also take the following courses

- Human Geography (*choose one*)
 - GEOG 1102 – Human Geography **or**
 - GEOG 1121 – World Regional Geography
- Mathematics (can take both)
 - MATH 1050 – Mathematical Foundations 1
 - MATH 1060 – Mathematical Foundations 2

Education Majors (continued)

Early Childhood Education Foundations (EC)

Admission requires all courses in content area 1 and at least half of the courses in content areas 2-6 be completed or in progress at the time of application. Admission also requires a minimum 2.50 GPA (2.8 strongly preferred), and 60 semester credits completed or in progress.

Content Area 1: Basic Requirements (2 courses)

- PSYC 1110 – General Psychology
- PSYC 2210 – Lifespan Development
- Recommended, but not required: one year of college-level second language

Content Area 2: Language and Communication (3 courses)

- Speech Communication (*choose one*)
 - COMM 1101 – Fundamentals of Public Speaking **or**
 - COMM 1111 – Interpersonal Communication **or**
 - COMM 1131 – Intercultural Communication
- Students must complete one course in the structure of the English language at the U of M
- Students must complete one course one course in language development at the U of M

Content Area 3: Mathematics (2 courses)

- MATH 1100 – College Algebra and Probability
- MATH 1080 – Introduction to Statistics

Content Area 4: Science (3 courses)

- Biological science w/lab course – must satisfy biological science w/lab core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- Physical science w/lab course – must satisfy physical science w/lab core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- One science elective with or w/out a lab *or* HLTH 1107 – Principles of Nutrition

Content Area 5: Social Studies (3 courses)

- American History (*choose one*)
 - HIST 1111 – United States History 1
 - HIST 1112 – United States History 2
- Human Geography (*choose one*)
 - GEOG 1102 – Human Geography **or**
 - GEOG 1121 – World Regional Geography
- Cultural Pluralism/diversity in the U.S. (*choose one*)
 - SOC 2110 – American Minorities **or**
 - SOC 1104 – Introduction to Sociology

Content Area 6: Communication Arts and Literature (3 courses)

- American Literature (*choose one*)
 - ENGL 2133 – American Indian Literature **or**
 - ENGL 2150 – American Literature 1 **or**
 - ENGL 2151 – American Literature 2
- Students must complete one course in children's literature at the U of M
- One elective in the following areas is required: art, dance, music, philosophy, or theater

Health and Wellness Majors

Also see Sport Management in the “business major” section

Kinesiology (KIN)

Admission requires a minimum 2.50 GPA and 60 semester credits. Students are required to have all 3 of the following science courses completed or in progress prior to admission:

Biology with lab (*choose one*)

- BIOL 1105 – General Biology: Cells to Organisms **or**
- BIOL 1106 – General Biology: Ecology and Evolution

Chemistry with lab

- CHEM 1061 – Principles of Chemistry I

Physics with lab (*choose one*)

- PHYS 1110 –College Physics I **or**
- PHYS 1121 – Physics with calculus

In addition to the science courses listed above, students are required to have 2 of the 3 following courses completed or in progress at the time of application:

Speech

- COMM 1101 – Fundamentals of Public Speaking

Psychology

- PSYC 1110 – General Psychology

Mathematics (*choose one*)

- MATH 1080 – Introduction to Statistics (preferred) **or**
- MATH 1100 – College Algebra and Probability **or**
- Higher level math

Although not required prior to admission, students may also take the following course

- EXSC 2300 – Introduction to Kinesiology

Recreation, Park and Leisure Studies (REC)

Admission requires a minimum 2.00 GPA and 30 semester credits completed as well as completion or current enrollment in General Psychology – PSYC 1110 prior to application.

The following courses are strongly recommended but not required prior to admission:

- SOC 1104 – Introduction to Sociology
- COMM 1101 – Fundamentals of Public Speaking
- 3 physical education courses

Human Services Majors

Family Social Science (FSoS)

Admission requires a minimum 2.00 GPA, completion of high school intermediate algebra **or** Math 0700 – Intermediate Algebra **or** 0670 – Elementary and Intermediate Algebra, and completion of at least 1 social science course. The following courses are recommended but not required prior to admission:

Mathematics

- MATH 1080 – Introduction to Statistics

Public Speaking

- COMM 1101 – Fundamentals of Public Speaking

Social Studies

- Students choose a social science course (ex: sociology, psychology, political science)
- Economics (*choose one*)
 - ECON 2201 – Microeconomics **or**
 - ECON 2202 – Macroeconomics

Youth Studies (YOST)

Admission requires a minimum 2.0 GPA and experience with youth at the time of application. The following courses are strongly recommended but not required prior to admission:

Social Science

- SOC 1104 – Introduction to Sociology
- Additional social science course: (*choose one*)
 - GEOG 1102 – Human Geography **or**
 - GEOG 1121 – World Regional Geography **or**
 - POLS 1130 – U.S. Politics **or**
 - PSYC 1110 – General Psychology **or**
 - ANTH 1127 – Cultural Anthropology

Mathematics

- MATH 1080 – Introduction to Statistics

Public Speaking

- COMM 1101 – Fundamentals of Public Speaking
