

TRANSFER GUIDE FROM NORTH HENNEPIN COMMUNITY COLLEGE TO

COLLEGE OF EDUCATION + HUMAN DEVELOPMENT

UNIVERSITY OF MINNESOTA

This guide identifies North Hennepin Community College courses that can prepare students to transfer into undergraduate programs at the College of Education & Human Development (CEHD) at the University of Minnesota-Twin Cities campus.

Application process

The application process has 2 steps. First, you need to apply to the University of Minnesota. You can do this online at http://admissions.tc.umn.edu/admissioninfo/trans_checklist.html. Along with this application, you need to submit CEHD Transfer Admission Application Supplement to the Office of Admissions. You can find this form and directions by scrolling down to the bottom of the webpage listed above and clicking on College of Education and Human Development.

In order to have your application considered for admission, both the U of M application AND supplemental materials must be completed

The priority deadlines to apply:

Spring semester: October 1st

Fall semester: March 1st

The final deadlines to apply:

Spring semester: December 15th

Fall semester: July 1st

Many majors fill with applications submitted on or before the priority deadlines. We strongly encourage submission of applications by this deadline!

For information on how community-college courses will apply toward CEHD major requirements, check with your community-college adviser or the Transfer Admissions Coordinator in the College of Education and Human Development.

For more information on CEHD admission and degree/major requirements:

- ❖ visit us online at www.cehd.umn.edu
- ❖ sign up for an info session

- ❖ Contact Student Services at 612-625-3339 or cehdinfo@umn.edu.

Updated spring 2009

Business Majors

Business and Marketing Education (BME)

Admission requires a minimum 2.00 GPA and 30 semester credits completed at the time of application. The following courses are recommended but not required prior to admission:

Mathematics (*choose one*)

- MATH 1130 – Elementary Statistics **or**
- MATH 1150 – College Algebra **or**
- Other college-level math

Public Speaking

- SPCH 1010 – Fundamentals of Public Speaking

Social Science

- PSYC 1150 – General Psychology
- Economics (*choose one*)
 - ECON 1060 – Principles of Economics: Macro **or**
 - ECON 1070 – Principles of Economics: Micro

Human Resource Development (HRD)

Admission requires a minimum 2.50 GPA and 60 semester credits completed or in progress at the time of application. The following courses are recommended, not required, prior to admission

Mathematics (*choose one*)

- MATH 1130 – Elementary Statistics **or**
- MATH 1150 – College Algebra **or**
- Other college-level math

Public Speaking

- SPCH 1010 – Fundamentals of Public Speaking

Social Science

- PSYC 1150 – General Psychology
- Economics (*choose one*)
 - ECON 1060 – Principles of Economics: Macro **or**
 - ECON 1070 – Principles of Economics: Micro

Sport Management (SMGT)

Admission requires a minimum 2.0 GPA (*2.75 strongly preferred*) and 60 semester credits completed or in progress at the time of application. The following courses are strongly recommended but not required prior to admission:

- PE 1500 – Foundations of Physical Education
- PSYC 1150 – General Psychology
- SOC 1110 – Introduction to Sociology
- SPCH 1010 – Fundamentals of Public Speaking
- 3 physical education courses

Education Majors

Our licensure programs are unique in that we do not license at the bachelor's level, we license at the master's level. An undergraduate degree teaches students what to teach, and a master's degree teaches students how to teach. This design better prepares students to enter the school system as well as allows them to attain a master's degree in a short amount of time.

To move into a licensure program, students need to graduate with a bachelor's in the area they want to teach before applying to enter a licensure program. Licensure programs are between 12-18 months long, after which you are licensed in the state and only a few courses away from a master's degree.

For information on teaching middle or high school, please visit <http://cehd.umn.edu/Direct/>

Elementary Education Foundations (EIEd)

Admission requires a minimum 2.50 GPA, although a 2.8 is *strongly* preferred, and the courses listed below completed or in progress at the time of application. Students must also have 35 hours of classroom experience in a K-6 public classroom setting during regular school days/hours; this experience may be paid or unpaid and must be *completed* prior to application.

Basic Requirements (3 courses)

- PSYC 1150 – General Psychology
- EDUC 1210 – Introduction to Education
- Literature course – must satisfy Literature core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>

Mathematics (1 course)

- MATH 1150 – College Algebra I

Science (2 courses)

- Biology w/lab (*choose one*)
 - BIOL 1000 – Life Science **or**
 - BIOL 1001 – Principles of Biology I
- Earth science w/lab (*choose one*)
 - PHYS 1450 & 1460 – Concepts of Stars and the Universe **or**
 - GEOL 1110 – Physical Geology

Social Studies (2 courses)

- History course – must satisfy Historical perspective core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- PSTL 1204: Ways of Knowing in the Social Science (*must* be taken at the U of M)

Although not required prior to admission, students may also take the following course

- Human Geography (*choose one*)
 - GEOG 1040 – Human Geography **or**
 - GEOG 1100 – World Geography

Education Majors (continued)

Early Childhood Education Foundations (EC)

Admission requires all courses in content area 1 and at least half of the courses in content areas 2-6 be completed or in progress at the time of application. Admission also requires a minimum 2.50 GPA (2.8 strongly preferred), and 60 semester credits completed or in progress.

Content Area 1: Basic Requirements (2 courses)

- PSYC 1150 – General Psychology
- PSYC 1210 – Child Development
- Recommended, but not required: one year of college-level second language

Content Area 2: Language and Communication (3 courses)

- Speech Communication (*choose one*)
 - SPCH 1010 – Fundamentals of Public Speaking **or**
 - SPCH 1110 – Principles of Interpersonal Communication **or**
 - SPCH 1310 – Intercultural Communication
- Students must complete one course in the structure of the English language at the U of M
- Students must complete one course one course in language development at the U of M

Content Area 3: Mathematics (2 courses)

- MATH 1150 – College Algebra
- MATH 1130 – Elementary Statistics

Content Area 4: Science (3 courses)

- Biological science w/lab course – must satisfy biological science w/lab core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- Physical science w/lab course – must satisfy physical science w/lab core requirement: for a list of courses visit <http://admissions.tc.umn.edu/cle/>
- One science elective with or w/out a lab *or* HLTH 1070 – Nutrition

Content Area 5: Social Studies (3 courses)

- American History (*choose one*)
 - HIST 1200 – History of United States through 1877 **or**
 - HIST 1210 – History of United States since 1877
- Human Geography (*choose one*)
 - GEOG 1040 – Human Geography **or**
 - GEOG 1100 – World Geography
- Cultural Pluralism/Diversity in the U.S. (*choose one*)
 - SOC 2210 – Minority Groups **or**
 - SOC 1110 – Introduction to Sociology

Content Area 6: Communication Arts and Literature (3 courses)

- American literature: (*choose one*)
 - ENGL 2310 – The American Short Story **or**
 - ENGL 2370 – African-American Literature **or**
 - ENGL 2380 – American Indian Literature **or**
 - ENGL 2450 – Survey of American Literature I **or**
 - ENGL 2460 – Survey of American Literature II
- Students must complete one course in children's literature at the U of M
- One elective in the following areas is required: art, dance, music, philosophy, or theater

Health and Wellness Majors

Kinesiology (KIN)

Admission requires a minimum 2.50 GPA and 60 semester credits. Students are required to have all 3 of the following science courses completed or in progress prior to admission:

Biology with a lab: (*choose one*)

- BIOL 1000 – Life Science **or**
- BIOL 1001 – Principles of Biology I

Chemistry with a lab: (*choose one*)

- CHEM 1010 – Introduction to Chemistry **or**
- CHEM 1061 – Principles of Chemistry I

Physics with a lab: (*choose one*)

- PHYS 1201 – Principles of Physics I **or**
- PHYS 1601 – General Physics I

In addition to the science courses listed above, students are required to have 2 of the 3 following courses completed or in progress at the time of application:

Speech

- SPCH 1010 – Fundamentals of Public Speaking

Psychology

- PSYC 1150 – General Psychology

Mathematics: (*choose one*)

- MATH 1130 – Elementary Statistics (preferred) **or**
- MATH 1150 – College Algebra **or**
- Higher level math

Recreation, Park and Leisure Studies (REC)

Admission requires a minimum 2.00 GPA and 30 semester credits completed as well as completion or current enrollment in General Psychology – PSYC 1150 prior to application.

The following courses are strongly recommended but not required prior to admission:

- SOC 1110 – Introduction to Sociology
- SPCH 1010 – Fundamentals of Public Speaking
- 3 physical education courses

Human Services Majors

Family Social Science (FSoS)

Admission requires a minimum 2.00 GPA, completion of high school intermediate algebra **or** Math 0902 – Intermediate Algebra, and completion of at least 1 social science course. The following courses are recommended but not required prior to admission:

Mathematics

- MATH 1130 – Elementary Statistics

Public Speaking

- SPCH 1010 – Fundamentals of Public Speaking

Social Studies

- Students choose a social science course (ex: sociology, psychology, political science)
- Economics (*choose one*)
 - ECON 1060 – Principles of Economics: Macro **or**
 - ECON 1070 – Principles of Economics: Micro

Youth Studies (YOST)

Admission requires a minimum 2.0 GPA and experience with youth at the time of application. The following courses are strongly recommended but not required prior to admission:

Social Science

- SOC 1110 – Introduction to Sociology
- Additional social science course (*choose one*)
 - GEOG 1040 – Human Geography **or**
 - GEOG 1100 – World Geography **or**
 - POLS 1100 – American Government and Politics **or**
 - PSYC 1150 – General Psychology **or**
 - ANTH 1010 – Introduction to Anthropology: Cultural Anthropology

Mathematics

- MATH 1130 – Elementary Statistics

Public Speaking

- SPCH 1010 – Fundamentals of Public Speaking
