

**M. Ed. / Initial Licensure in Second Languages Education
 Prerequisite List – Hebrew**

What are prerequisites?

Prerequisites are foundational courses required in specific content areas for licensure. Candidates are required to have an undergraduate degree from an accredited institution with appropriate liberal arts/general education coursework and must meet the prerequisites below depending upon language status. If the applicant has an undergraduate major in Hebrew, the courses outlined below (or their equivalents) are required.

When do prerequisites need to be completed?

Any required prerequisites should be completed before starting the program in June. The Oral Proficiency Interview (OPI) should be completed and submitted with the program application. Please contact the adviser for any potential time extension requests.

Please check with your program area adviser before registering for any prerequisite coursework.
