- Required credits within the major: 56 to 58
- Degree: Bachelor of Science

Family social science is a multidisciplinary major for those who are interested in helping people, counseling, and understanding human relationships. This major prepares graduates for careers in working with individuals, families, or systems in human services. The major is enhanced by a required internship related to the student's specific program and career goals. Qualified graduates may continue their education through graduate study in family social science, prevention science, family education, marriage and family therapy, child and human development, social work, resource management, or allied health disciplines.

Program Delivery

This program is available:

- via classroom (the majority of instruction is face-to-face)
