Sophia Haddad

Sophia Haddad is graduating with a Bachelor of Science degree in Business and Marketing Education with a double minor in Leadership and Spanish. She is from Bloomington, Minnesota and takes pride in her Syrian heritage. During her years at the University of Minnesota, she was involved with on campus organizations like MCAE, the Orthodox Christian Fellowship, and worked for the University of Minnesota as a swim instructor. Her favorite college memories include studying abroad in Milan, Italy, cheering the Gophers on in the student section at hockey and football games, and learning byzantine chanting at different Orthodox churches in the Twin Cities. Her future plans are to stay in Minnesota and work in marketing within the food and beverage industry.

Special Announcements

The University of Minnesota Twin Cities is built within the traditional homelands of the Dakota people. It is important to acknowledge the peoples on whose land we live, learn, and work as we seek to improve and strengthen our relations with our Tribal Nations. We also acknowledge that words are not enough. We must ensure that our institution provides support, resources, and programs that increase access to all aspects of higher education for our American Indian students, staff, faculty, and community members.

The Minnesota Tribal Nations Plaza is located on the main western entrance to Huntington Bank Stadium, across from 3M Arena at Mariucci. The plaza includes eleven, 18-foot tall sky markers, each of which incorporates information about one of Minnesota's eleven Tribal Nations.

College of Education and Human Development degree candidates may graduate with either Latin Honors (Cum, Magna, or Summa Cum Laude) or with distinction (Distinction or High Distinction) or both. These citations are provisional and do not become official until all requirements for the award are fulfilled.

Latin Honors Designations—Students graduating from the College of Education and Human Development through the University Honors Program have taken part in a rigorous course of study, research, scholarship, or other creative work in their major, culminating in an honors thesis representing independent work done under the direction of a faculty supervisor or mentor. Students graduating Cum Laude (with honor) have a minimum cumulative GPA of 3.50 for the last 60 graded credits at the University of Minnesota, Twin Cities (UMTC). Magna Cum Laude (with great honor) awards require a minimum cumulative GPA of 3.66, and Summa Cum Laude (with highest honor) awards require a minimum cumulative GPA of 3.75 in the final 60 graded credits at UMTC.

Distinction Designations—Students earn graduation “with distinction” or “with high distinction” based on cumulative grade point average at UMTC with at least 60 graded credits completed at UMTC. Students graduating “with distinction” must have earned a cumulative GPA of 3.75 or higher in UMTC coursework at the time of graduation; students graduating “with high distinction” must have earned a cumulative GPA of 3.90 or higher in UMTC coursework at the time of graduation.
