**Notes**

These totals reflect only **REQUIRED** courses for full program (53 credit) and Adv Stan students  
 For the concentration electives, used 8461 and 8462; would have different totals if used 8352  
 Full program students who combine CMH with CP come up short in one category  
 Students with Advanced Standing come up short in 3 categories, regardless of combination  
 All students must also take 5 credits of free electives; those hours are not included here  
 All students have the option to contract for up to 10% of the required hours in concentration field placement
